

FORM C-128
Revised 5-1-53

SEE INSTRUCTIONS FOR COMPLETING THIS FORM ON 1961 FORM 10 PM 11-28

SECTION A

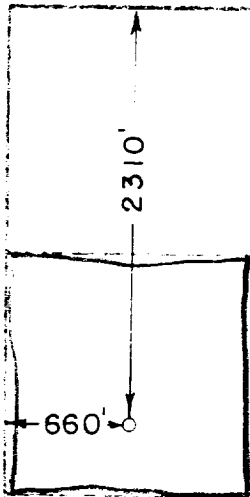

Actual Footage Location of Well.			
2310	feet from the NORTH	660	feet from the WEST

Is the Operator the only person who is designated as being authorized to operate the equipment? If not, who has the right to start and stop the production from any point and to up-temperature the production? "and" means the person
 on other 103-3-29 (e) & 103-3-29 (f) relatively and

2. List the answer to question number 1. Do you have the interests of all the owners being consolidated in the consolidation agreement or otherwise? YES _____ No _____ Answer is "yes." Type of Consolidation _____

2. Write answer to question two (200). Let's write where are their projects or interests are in
Group: *Personal* *and* *social* *and* *business*

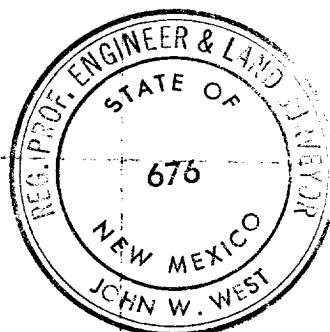

SECTION 6

CERTIFICATION

to the extent that the information
is not known to the public and con-
siderable part of my knowledge and

O. L. McCutcheon
supt.
Lernard Nichols
7-9-1961

It is a well located
 property and the "MILK" was
 found in the field and of actual
 value is made by use of water my
 estimate is that the same is true
 of the other two lots of my knowledge
 of the same.
