SE 1/4 Sec. 17 178 [S] [W]
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
Maljamar-Paddock Lea New Mexico
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 3995 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

On March 2, 1951, we submitted Notice of Temporary Abandonment with the thought that we might later deepen the well. However, plugs were placed at that time suitable for permanent plugging. We now wish to permanently abandon this well. On Feb. 27, 1953, a 4" pipe worter was placed in the top of surface casing.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company **BUFFALO OIL COMPANY**

Address **ARTESIA, NEW MEXICO**

By *A. J. Ellis*
Title **Vice President**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

2. The second part of the document focuses on the implementation of internal controls to prevent fraud and ensure the accuracy of financial data. It outlines the key components of a robust internal control system, including segregation of duties, authorization procedures, and regular monitoring and evaluation.

3. The third part of the document addresses the challenges faced by organizations in managing their financial resources effectively. It discusses the importance of budgeting and forecasting, and the role of the accounting department in providing accurate and timely financial information to management for decision-making.

4. The fourth part of the document explores the impact of technology on the accounting profession. It discusses the benefits of automation and the use of data analytics in financial reporting, and the need for accountants to stay updated with the latest technological advancements.

5. The fifth part of the document discusses the ethical responsibilities of accountants and the importance of maintaining high standards of integrity and honesty in their work. It also highlights the role of professional associations in promoting ethical behavior and providing guidance on ethical dilemmas.

6. The sixth part of the document discusses the importance of communication and collaboration between the accounting department and other departments within the organization. It emphasizes the need for clear communication channels and regular meetings to ensure that all departments are aware of the financial implications of their actions.

7. The seventh part of the document discusses the role of the accounting department in supporting the organization's strategic goals. It highlights the importance of providing accurate and timely financial information to management for strategic decision-making, and the role of the accounting department in identifying areas for improvement and cost reduction.

8. The eighth part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

9. The ninth part of the document focuses on the implementation of internal controls to prevent fraud and ensure the accuracy of financial data. It outlines the key components of a robust internal control system, including segregation of duties, authorization procedures, and regular monitoring and evaluation.

10. The tenth part of the document addresses the challenges faced by organizations in managing their financial resources effectively. It discusses the importance of budgeting and forecasting, and the role of the accounting department in providing accurate and timely financial information to management for decision-making.

11. The eleventh part of the document explores the impact of technology on the accounting profession. It discusses the benefits of automation and the use of data analytics in financial reporting, and the need for accountants to stay updated with the latest technological advancements.

12. The twelfth part of the document discusses the ethical responsibilities of accountants and the importance of maintaining high standards of integrity and honesty in their work. It also highlights the role of professional associations in promoting ethical behavior and providing guidance on ethical dilemmas.

13. The thirteenth part of the document discusses the importance of communication and collaboration between the accounting department and other departments within the organization. It emphasizes the need for clear communication channels and regular meetings to ensure that all departments are aware of the financial implications of their actions.

14. The fourteenth part of the document discusses the role of the accounting department in supporting the organization's strategic goals. It highlights the importance of providing accurate and timely financial information to management for strategic decision-making, and the role of the accounting department in identifying areas for improvement and cost reduction.

15. The fifteenth part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.
