INSTRUCTIONS

This form shall be executed and lled in quadruplicate with the Oil Conservation Com-mission at Santa Fe, New Mexico, covering each unit from which oil is produced. A separate certificate shall be filed for eac's transporter authorized to transport di from a unit. After said certificate has been apprived by the Oil Conservation Commission, one copy shall be forwarded to the transporte, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operating own the part each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shap, in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter unberged by certificate or file with the Commission at Santa Fe, New Mexico, and the transporter authorized by ce tificate on file with the Commission at Santa FG, new Mexico, estimated amount of oil to be moved by the transporter temporarily moving all from the unit and the name of such temporar / transporter and a copy of such notice that also be furnished such temporary transport if; Such temporary transporter shall also be more oil that the estimated amount ; hown in said police.

This certificate when properly elecuted and approved by the Oil Construction Com-mission shall constitute a permit for pipe line connection and authorization to transport oil from the property named therein and shall remain in full force and effect until

- (a) Operating ownership changes
- (b) The transporter is changed or
- (c) The permit is cancelled by the Commission

If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to transport oil.

A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission.
