Gentlemen:

July 20, 1961, a survey was made to stake the location for your U.S.A. Baish "B" No.1 at a point 2120.0 feet from the South and 519.0 feet from the East Lines of Sections 28, Township 17 South, Range 32 East, N.M.P.M., Lea County, New Mexico.

Flags were placed at the Quarter corner common to Sections 27, and 34 and corner common to Sections 27,28,33 and 34 and the transit was "wiggled in" at a high point between the two. A flag was then set on the boundary line between the two sections approximately 1400 feet east of the section corner common to Sections 27,28,33 and 34, Thence  $N0^{\circ}02'W$  2120.0 feet, Thence  $N89^{\circ}51'W$  519.0 feet to the location. To check we chained  $S89^{\circ}51'E$  519.0 feet Thence  $S0^{\circ}02'E$  2120.0 feet missing the section corner 0.5 feet which is within the allowable limits of this survey.

I hereby certiy that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted

John W. West
