REPORT ON BEGINNING DRILLING

OPERATIONS

OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

RECEIVED

OCT 1 1 1950

Aiscellaneous Reports on Wells

Submit this report in triflicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.
