Gentlemen:

According to your report dated April 3, 1986, the above-referenced well has been returned to producing from a TA'd injection well status. In order to get an allowable assigned to this well you will need to submit Form C-104 designating a transporter of oil and casinghead gas and a gas/oil ratio test on Form C-116. *filed 4-11-86*

Very truly yours,
