Re: Request for Waiver
Delta #1 Unit State (Reentry)
660' FNL and 660' FWL
Section 30-16S-33E
West Kemnitz Prospect
Lea County, New Mexico

Gentlemen:

Delta Drilling Company is making application to reenter the Williamson #1 Unit State well located 660' FN & WL of Section 30-16S-33E, Lea County, New Mexico.

It is our intent to attempt a completion in the Wolfcamp and Morrow formations. While the location is orthodox for the Wolfcamp, it is unorthodox for a Morrow well. Therefore to allow us to obtain the required permit we request that you as an offsetting operator waive any objections to this unorthodox location. Please signify your waiver of objection by signing in the space below and returning this letter to our Midland, Texas office.

Thank you very much for your consideration.

Very truly yours,

R. D. Gardner

We hereby waive any objections
to the unorthodox location set
out above.
