Dear Sir:

A check of our files indicates that we have had no reply to our correspondence of May 21, 1957 regarding the cutting of one dead man wire and the general cleaning up of the location for subject well. This well was plugged and abandoned on March 6, 1956.

We shall appreciate your completing this work at your earliest convenience and advising this office so that a final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
