17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1703.

Production has declined from this well to 1 to 2 bbls daily with no prospect for remedial work indicated. As the well is an economical loss we propose plugging and abandonment and on verbal authority from Mr. Joe D. Ramey to proceed with work of plugging the well in the following manner

15 sx cement plug @ 4300; 25 sx cement plug at shoot-off point of 5 1/2" casing, in and out; 25 sx cement plug at surface casing shoe, in and out of casing; and 10 sx cement plug at surface. All intervals mud filled, lease cleared of equipment, surface returned to contour and well marker placed.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
