17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well has been temporarily abandoned due to low production and requirements for extensive remedial work. A feasibility study is now being conducted which will determine how to use this well in future flooding of this property.

18. I hereby certify that the information above is true and comp	lete to the best of my knowledge and belief.
