Attention: Mr. R. F. Montgomery

Dear Mr. Montgomery:

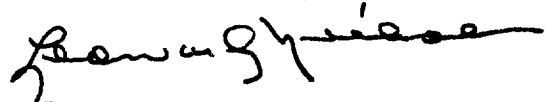

In reply to your letter dated January 20, 1958 concerning our State A # 7 well located in Unit A of Section 7-17S-33E, I am returning the following corrected forms:

C-103 8 5/8" in triplicate
C-103 5 1/2" in triplicate
C-104 in quadruplicate
C-105 in quintuplicate
C-110 in quintuplicate.

The Notice of Intention to Drill should have been in the name of Leonard Nichols instead of Leonard Nichols Oil Company and for the State A No. 7 well instead of State No. 1. This was a typographical error and I hope this letter will clear the matter for your records.

In regard to C-104 showing casing pressure and tubing pressure, I am back on this well swabbing 40 or 50 barrels per day, and have no casing or tubing pressure test yet. I will have to furnish this information later.

Yours very truly,

Leonard Nichols
