Leonard Nichols Oil Co.
1101 Mercantile Securities Bldg.
Dallas, Texas

Gentlemen:

We are returning forms for your State "A" No. 7 in Unit A of Section 7, T-17-S, R-33-E for clarification.

Our records show that the Notice of Intention to Drill was filed under the name of Leonard Nichols rather than Leonard Nichols Oil Co. and was for the State No. 1 rather than the State "A" No. 1. Since we have no plugging bond on file for the Leonard Nichols Oil Co., it will necessary for you to either file a new plugging bond or correct these forms to correspond with the bond presently on file. If you wish to make a change in the designation of the operator or the lease name, please show this change on Form C-103.

Further, on Form C-104 please show the Casing Pressure, Tubing Pressure and the Date first new oil was run to tanks.

Yours very truly,

OIL CONSERVATION COMMISSION
