Dear Mr. Talbert:

We have received Form C-101, Notice of Intention to Drill, for your Phillips State No./in Unit L of Sec. 16, T-17-S, R-33-E. It will be necessary for us to hold this form without approval, however, until we have been notified by the office of the Commission in Santa Fe that you have filed a plugging bond with that office. Further, the principal shown on the bond must correspond exactly with the name of the company shown on Form C-101. Therefore, unless the bond shows Eugene Talbert et al, we cannot approve this form as it now is.

We are returning Form C-128 in order that you may show the acreage to be dedicated to the well.

If this office can be of any service to you, we shall be most happy to have you call us.

Yours very truly,
