Dear Mr. Sexton:

An application for Permit to Re-Enter CMU #262(formerly CMU #15) was filed with your office on October 7, 1996 and approved October 9, 1996. Since then, the Wiser Oil Company has determined that the well bore is uneconomical to use for re-entry and conversion to water injection. Therefore, we are withdrawing the subject APD. We apologize for any inconvenience this may have caused you.

Thank you for your attention to this matter.

Sincerely,

J.O. EASLEY, INC.
