CASING RECORD

Case No.	Per foot Weight	Per foot Length	Weight	Amount	Kind of shoe	Out and pulled from	Per foot	Per foot
1000000								

It is of the greatest importance that you have a complete and accurate record of the well. Please state in detail the dates of redrilling, together with the reasons for the well being redrilled. It also set out any changes made in the casing, state fully, and if any casing was removed or left in the well, give its size and location. If the well has been dynamited, give date, size, position, and number of charges or bridges were put in, and state the kind of material used, position, and results of pumping or bailing.
