# OIL CONSERVATION COMMISSION

HOBBES, NEW MEXICO

Report of the Commission  
on the Conservation of  
Oil in the State of New Mexico

Presented to the  
Legislature of the State of New Mexico

1911

- 1. The Commission was organized by the Legislature of the State of New Mexico in 1909, and has since that time been engaged in a study of the oil resources of the State, and in the preparation of this report.
- 2. The Commission has held numerous public hearings, and has received many suggestions from the public, which have been carefully considered.
- 3. The Commission has also conducted extensive geological and geophysical surveys, and has obtained a large amount of valuable information regarding the oil resources of the State.

The Commission believes that the oil resources of the State are of great value, and that it is the duty of the State to conserve them for the benefit of the people.

Very respectfully,  
The Commission

JOHN W. HARRIS, Chairman
