Mabee Royalties, Inc.
Box 3149
Odessa, Tex.

Gentlemen:

We are returning Forms C-103 on your State "A" No. 1 well in Unit/F of Section 8, T-16-S, R-34-E, Lea County, New Mexico on Results of Test of Casing Shut-off.

In order that your program be approved, it will be necessary that you submit another Form C-103 on the 8 5/8" surface casing showing the following:

- (1) Date of work
- (2) Size, make and weight of casing
- (3) Amount of casing and where set
- (4) Amount of pressure applied, how long applied and if pressure held or decreased

Also, it is required that cement be circulated behind surface pipe and that if cement circulated you should so state on the Form C-103.

Yours very truly,

OIL CONSERVATION COMMISSION

Hobbs, N.M.

General

It is requested that you provide the following information in order that your proposal be approved, in view of the fact that you submit Section 100-100 on the 8 3/4" surface casing showing the following:

- (1) Date of work
- (2) Size, make and weight of casing
- (3) Amount of casing and where set
- (4) Amount of pressure applied, how long applied and if pressure held or decreased

Also, it is required that cement be circulated behind surface pipe and that if cement circulated you should so state on the Form C-100.

Yours very truly,

OIL CONSERVATION COMMISSION
