Cities Service Oil Co.  
Box 97  
Hobbs, New Mex.

Gentlemen:

Another inspection of the location for your State AV No. 1 in Unit D of Section 13, T-16-S, R-34-E has been made by Mr. Eric Engbrecht and he has found that the marker has not been cemented and it is lying on the ground, there is no location inscribed on the marker, and the dead man wires have not been cut.

A check of the file indicates that you were informed of the condition of this location by letter dated July 26, 1956; we have heard nothing further from you, however. Your early attention to this matter will be appreciated.

Yours very truly,

OIL CONSERVATION COMMISSION
