In regards to my telephone conversation with Eddie Seay of your office, Tenneco requests an extension to make a decision on this well. This office has undertaken a detailed study of the Kemnitz (Lower Wolfcamp) in an effort to evaluate the field's EOR and gas storage potential. Since this well may play an integral part in Tenneco's future plans for the field, Tenneco respectfully requests a 120 day extension to make a decision.
