Gentlemen:

We would appreciate receiving report from you on your Lovington-State No. 1 in the NE/4 SW/4 section 11, T.15 S, R.35 E, which was drilled the later part of November 1943. The scout report carried this well until October 23, 1945 when it was dropped as an inactive well.

If the well has been plugged and abandoned, please file a log and the necessary forms for completion. If the well has been temporarily abandoned all these years, we would appreciate receiving a notice of your intentions.

Very truly yours,

bpw
