Gentlemen:

A check of the file for your plugged and abandoned State of New Mexico "A" No. 1 in Unit A of Section 34, T-15-S, R-35-E indicates that we have not as yet received Form C-105, Well Record, for this well. Form C-103, Report of Final Plugging, will be approved upon receipt of this Form C-105.

Yours very truly,
