Attention: Mrs. W. L. Smith

Gentlemen:

In reference to your letter of March 10th, please find enclosed Form C-103 reporting on the 9 5/8" casing run in our Harbison 21-8 well in Lea County, New Mexico.

As to the status of our W. H. Townsend # 3 well, Sec. 4-16S-35E, Lea County, New Mexico, the well has not been started, but will be within the next couple of months. We assume that the C-101 form filed on May 9, 1952 is still valid.

Thank you for bringing these matters to our attention.

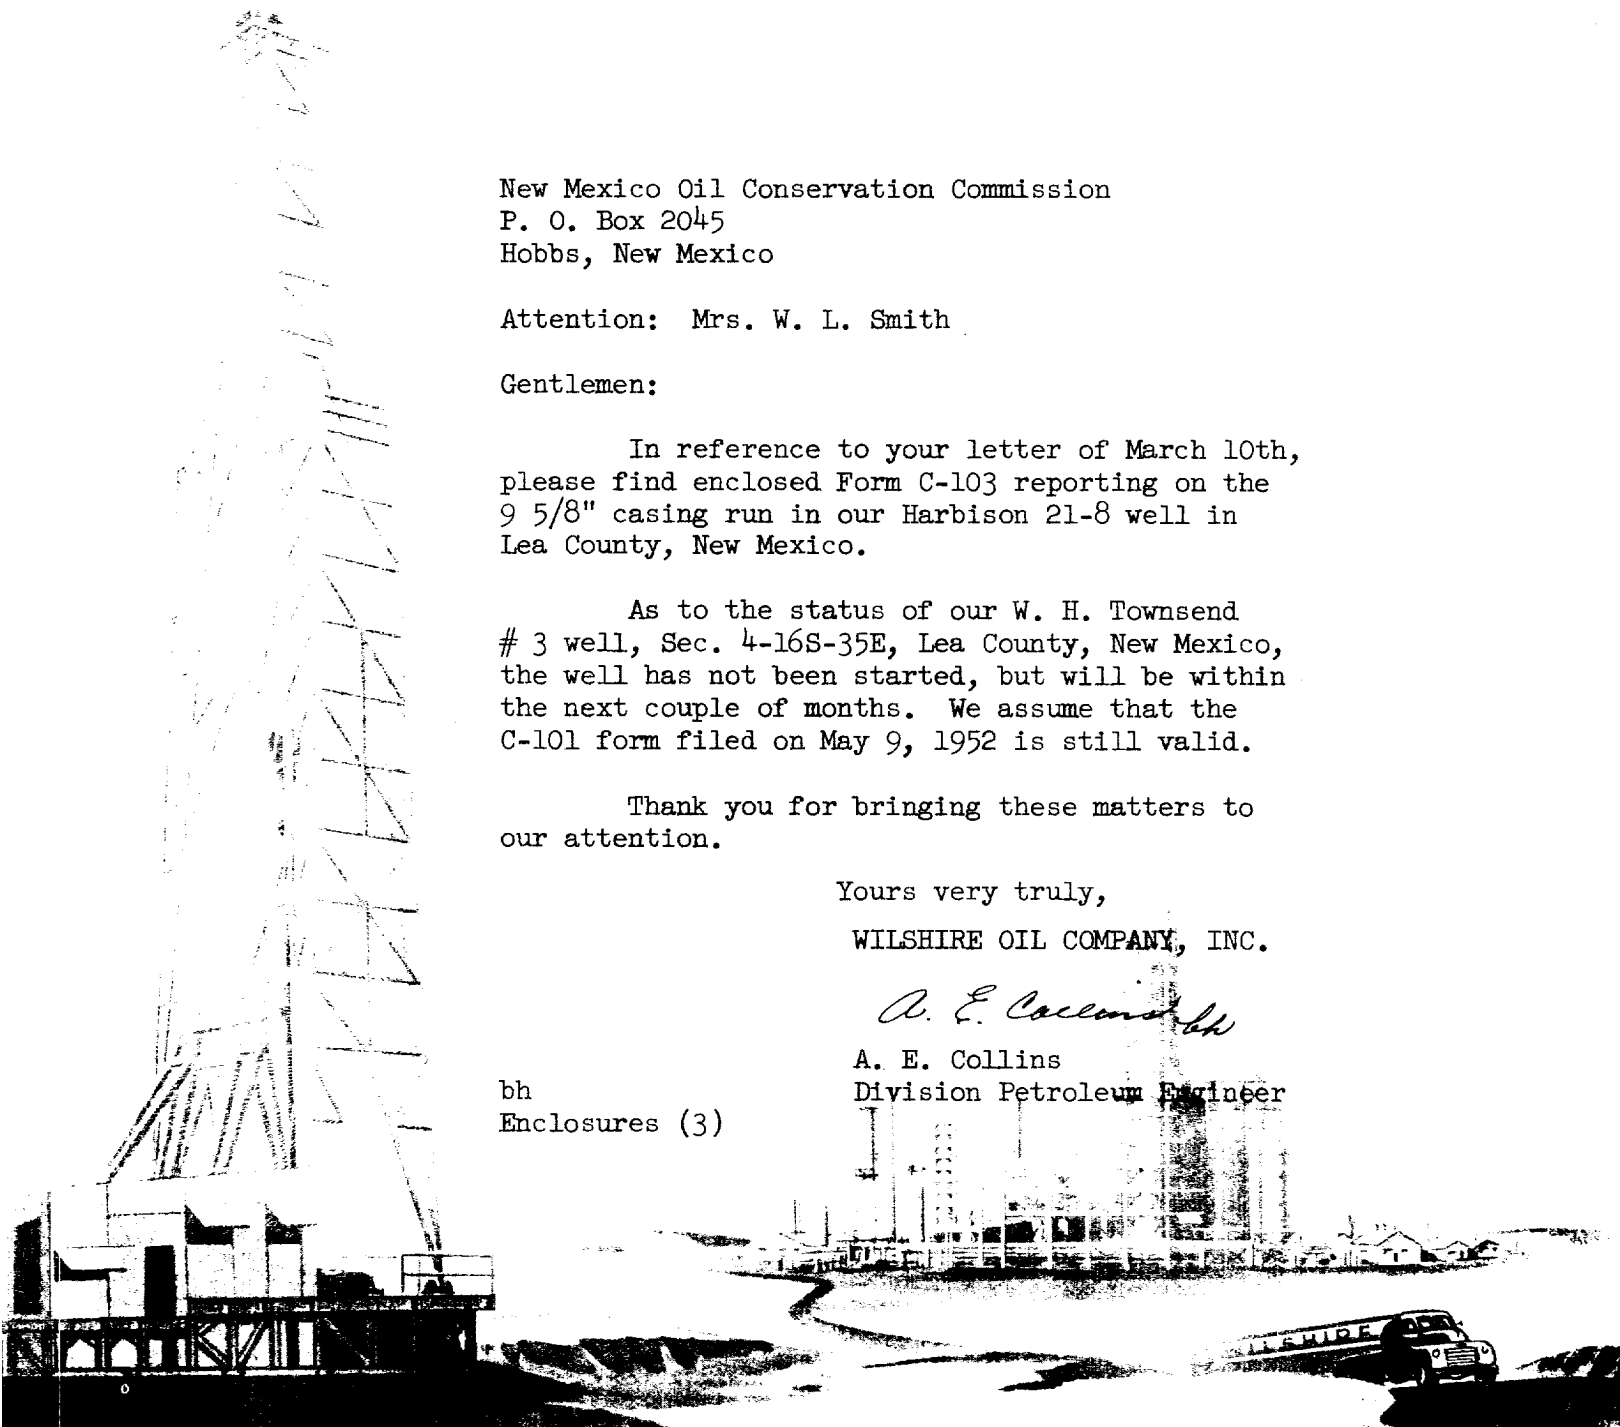

Yours very truly,

WILSHIRE OIL COMPANY, INC.
