Mr. R. E. Wilson
The Superior Oil Co.
Midland, Texas

Re: Superior Oil Company's
State "26" #1-26, Sec.
10-T168-R35E, Townsend-
Wolfcamp Pool.

Dear Mr. Wilson:

This is your authority to delete subject well from the Bottom Hole Pressure survey in the Townsend-Wolfcamp Field, Lea County, New Mexico, due to the fact that the well produces on the intermitter and might die over an extended shut-in period.

Very truly yours,

OIL CONSERVATION COMMISSION

E. J. Fischer
