17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give precise dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well has been shut in since October 1, 1966. We propose plugging and abandoning as follows:

- 1) Load hole with 10# mud.
- 2) Set cast iron bridge plug at 10,000', and spot 2 sacks cement on top.
- 3) Shoot 5-1/2" OD casing at approximately 5500' and pull.
- 4) Spot cement plugs as follows:

35 sacks across stub of 5-1/2" OD casing at approximately 5500'.

25 sacks across base of 9-5/8" OD casing at 4667'.

10 sacks in top of 9-5/8" casing and cellar.

- 5) Set marker.

(NOTE: All intervals not cemented will be filled with 10# mud.)

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
