

SECTION 111.1 GAS COMPANY
FIELD NO. 1

ATTACHMENTS

NOTE: This well was originally drilled by Western Natural Gas Company as their Sidcon Patch No. 1. The well was originally completed in the shoe bar seven or eight in October, 1957. The well was subsequently sold to Sinclair Oil and Gas Company and was plugged by Sinclair in May, 1967. Sinclair operated the well as the Sidcon "C" well no. 2.

The 5 1/2" casing was shot and pulled from 4570 feet.

The 9 5/8" casing was left in tact.

Please find copy of plugging record attached.
