Attention: Mr. A. L. Porter

Dear Sir:

Attached please find Gas Well Plat on our  
State-Grambling #1.

This is a gas well making incidental distillate and we do not have a pipe line connection as yet. We are using the gas to Gas Lift our State-Ramco #2. We are then using that gas for rig fuel for lease development purposes.

In the near future when we are able to get a pipeline connection we will apply for an allowable.

Yours very truly,

WESTERN NATURAL GAS COMPANY
