Gentlemen:

Please refer to the attached copy of letter dated June 3, 1965 from the New Mexico Oil Conservation Commission concerning the captioned well. As Sinclair is the present owner of this well and the captioned acreage, it is our belief that this letter should be answered by your company. All of our files and records concerning this acreage and well were transmitted to Western Natural Gas Company at the time we assigned these properties to Western and we assume you are in possession of same.

If you have any questions concerning this matter, please contact me.

Yours very truly,

Sam Smith
