Dear Sirs:

I, L. W. Motsch, the surface owner of Section 9, Township 15 South, Range 36 East, Lea County, New Mexico, have given H&M Disposal permission for a period of one year, from August 1, 1991 to July 31, 1992, to incorporate solid materials from their disposal tank battery into the lease road in a manner consistent with state regulation and so long as such material is confined to the right of way. Any expense to cleanup the surface or correct damage caused by solid or liquid material leaving the lease road will be at the sole expense of H&M Disposal.

Sincerely,

Larry W. Motsch
