Re: Mayme Graham SWD #1-N  
Sec. 9, T15S, R36E

Gentlemen:

Your C-103 filed on the conversion work done on the above-referenced SWD well indicates that you will need to deepen the well and dispose into an additional openhole interval. OCD order R-7960 does not cover this interval. You will need to make a written request to our Santa Fe office that the order be amended to include this disposal interval.

Very truly yours,

OIL CONSERVATION DIVISION
