Attention: Mr. R. F. Montgomery

Dear Sir:

Notice of Intention to Drill, Form C-101, for Humble Oil & Refining Company's Ault Heirs et al Well No. 1 was filed with your office on May 1, 1957. Our Form C-128 reflected a 40 acre proration unit for this well. We are attaching corrected Form C-128's changing the proration unit from 40 acres to 80 acres.

For your information this well is located 1920' from the West line and 1850' from the North line of Section 27, Township 15 South, Range 36 East, Lea County, New Mexico.

We would appreciate your substituting these plats for the incorrect plats which we filed with your office.

Yours very truly,

HUMBLE OIL & REFINING COMPANY
