Re: Form C-101 B. J. Harkrider
Sec. 34-15S-36E, Lea County

Gentlemen:

We have received Form C-101, Notice of Intention to Drill, on your B. J. Harkrider #1, which shows the location as being 660 from the east line. The plat which accompanied this form, however, shows the location as being 330 from the east line. Please clarify this matter so that Form C-101 can be approved.

Yours very truly,

OIL CONSERVATION COMMISSION

A. L. Porter, Jr.
Proration Manager

hs

330' from the East line of the section, as shown on our location plat, is the correct footage.

Am sorry for the discrepancy.

M. Shaffer
