Re: Packer leakage test on  
Sinclair Oil & Gas Company  
State Lea 396 Lease  
Well No. 2

Dear Sir:

Please be informed that we will start packer leakage tests on the above captioned well Tuesday, July 9, 1957. Both zones will be shut in for the pre-test build up Monday, July 8, 1957, and the flowing test will begin Tuesday.

Yours very truly,

*W. H. Heisler*
