

NEW MEXICO OIL CONSERVATION CO. COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the financial aspects of the organization. It provides a detailed breakdown of the budget, including income and expenses, and discusses the strategies used to manage the funds effectively. This section also includes a comparison of the current financial performance against the previous year, highlighting areas of improvement and potential challenges.

3. The third part of the document addresses the operational aspects of the organization. It describes the various departments and their functions, as well as the processes used to coordinate and execute the organization's activities. This section also discusses the challenges faced by the organization in terms of resource allocation and the steps taken to address these issues.

4. The fourth part of the document discusses the future plans and goals of the organization. It outlines the strategic vision and the specific objectives that the organization aims to achieve in the coming years. This section also includes a discussion of the risks and opportunities associated with these plans and the measures taken to mitigate these risks.

5. The fifth part of the document provides a summary of the key findings and conclusions of the report. It highlights the main points discussed in the previous sections and provides a clear and concise overview of the organization's current state and future prospects. This section also includes a list of recommendations for further action and a final statement of the organization's commitment to transparency and accountability.
