REMARKS _____ COMPANY Magnolia Petroleum Company

SIGNED BY: G E Staley

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

2. The second part of the document focuses on the internal controls and the measures taken to prevent fraud and mismanagement. It describes the various checks and balances in place and the role of the internal audit function in monitoring the effectiveness of these controls.

3. The third part of the document discusses the external audit and the role of the external auditors in providing an independent opinion on the financial statements. It also highlights the importance of the audit committee in overseeing the audit process and ensuring the quality of the audit.

4. The fourth part of the document discusses the financial performance of the company and the factors that have contributed to its success. It also highlights the challenges faced by the company and the strategies being implemented to address these challenges.

5. The fifth part of the document discusses the future prospects of the company and the role of the management in ensuring the long-term sustainability of the business. It also highlights the importance of innovation and research and development in driving growth and profitability.

6. The sixth part of the document discusses the corporate governance and the role of the board of directors in overseeing the company's operations. It also highlights the importance of ethical behavior and the role of the corporate social responsibility function in promoting sustainable development.

7. The seventh part of the document discusses the human resources and the role of the HR department in managing the company's workforce. It also highlights the importance of employee engagement and the role of the HR department in promoting a positive work environment.

8. The eighth part of the document discusses the legal and regulatory environment and the role of the legal department in ensuring compliance with applicable laws and regulations. It also highlights the importance of risk management and the role of the legal department in identifying and mitigating legal risks.

9. The ninth part of the document discusses the information technology and the role of the IT department in supporting the company's operations. It also highlights the importance of data security and the role of the IT department in protecting the company's information assets.

10. The tenth part of the document discusses the overall financial performance and the role of the management in ensuring the company's financial health. It also highlights the importance of financial planning and the role of the management in setting and achieving financial goals.
