THE UNIVERSITY OF CHICAGO

CHICAGO, ILLINOIS

THE UNIVERSITY OF CHICAGO is a private, non-sectarian, coeducational institution of higher learning. It was founded in 1837 and is one of the oldest and largest universities in the United States. The university is located on the South Side of Chicago, Illinois, and covers an area of approximately 1,000 acres.

The university is organized into several divisions, including the Division of the Physical Sciences, the Division of the Biological Sciences, the Division of the Social Sciences, and the Division of the Humanities.

The university is also home to several research centers and institutes, including the Center for the Study of the History of Science and Technology, the Center for the Study of the History of Mathematics, and the Center for the Study of the History of the Earth and Planetary Sciences.

The university is a member of the Association of American Universities and the Association of Research Universities. It is also a member of the National Association of Public Universities and the National Association of Independent Colleges and Universities.

ADMISSIONS

The university admits students from all over the world. The admission process is highly competitive and involves a review of the student's academic record, test scores, and letters of recommendation. The university also offers a variety of financial aid programs to help students pay for their education.

The university is a member of the Association of American Universities and the Association of Research Universities. It is also a member of the National Association of Public Universities and the National Association of Independent Colleges and Universities.
