Hobbs, NM 88240

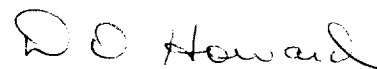

Dear Mr. Wink:

I am documenting our phone conversation on October 13, 2000, at which time you advised that it was not necessary for a C-103 sundry form to be filed requesting approval of a temporary pit when a previous C-103 sundry form has already been approved for the abandonment procedure.

If this is not your understanding of our conversation, please advise.

Yours very truly,

ExxonMobil Production Company,
a division of Exxon Mobil Corporation, acting for
Mobil Oil Corp
