

LEGAL NOTICE

MAY 8, 10, 11, 1987

Marathon Oil Company proposes to convert the J. M. Denton Well No. 5 to a water disposal well. This well is located 1980' FWL & 660' FSL, Section 11, T15S, R37E, Lea County, New Mexico. The purpose of this well is to dispose of produced water from the J. M. Denton Field. This water will consist of Devonian and Wolfcamp waters and will be disposed of in the Pennsylvanian formation from 9960'-10,250'. Maximum injection rates will be 10,000 BPD with a maximum pressure of 700 psi.

Interested parties may file objections or requests for hearing with the Oil Conservation Division, P. O. Box 2088, Santa Fe, New Mexico 87501 within 15 days of this notice.
