Gentlemen:

Our records indicate that you commenced injecting produced water into your Gulf State No. 2 located in Unit E of Section 4, T-16-S, R-38-E, in April of 1958. A check of our well file reveals, however, that forms covering the re-entry and conversion of the well to disposal were never submitted.

Please immediately submit appropriate forms covering the re-entry and work done on this well.

Yours very truly,

OIL CONSERVATION COMMISSION
