13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Conoco requests renewal approval of Temporary Abandonment status for the above referenced well. A valid MIT was run on 3/19/96 and should be on file in your office.

We wish to retain this wellbore while we continue to evaluate possible infill drilling potential or to use this well in the reorientation of the current waterflood patterns. This evaluation should be completed within the next 12-18 months.
