DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

On August 26, 1950, we submitted Notice of Temporary Abandonment with the thought that we might later deepen the well. However, plugs were placed at that time suitable for permanent Plugging. We now wish to permanently abandon this well. On Feb. 27, 1953, a 4" pipe marker was placed in the top of surface casing.
