Re: Filing of radio-activity and
electrical logs

1010 Fort Worth Nat'l Bank Bldg.

Fort Worth, Tex.

Gentlemen:

Rule 1103 of the Commission Rules and Regulations as revised by Commission Order No. R-722 requires that Form C-105 be accompanied by one copy of all electrical and radio-activity logs run. Reduced scale logs are desirable.

As of this date we have not received this information on the following wells:

Kelly State #1-P

35-15-37

Yours very truly,

OIL CONSERVATION COMMISSION

R. F. Montgomery
Proration Manager

If no logs were run, please make a statement to that effect in the space below. Or if they have been run, and will be supplied later, please so indicate.
