Gentlemen:

We are returning Form C-103 on the plugging of our State  
B No. 7. The information concerning the witnessing of the plugging  
has been provided.

Prior to plugging this well, we conferred with Mr. R. F.  
Montgomery by telephone and obtained his oral approval to proceed with  
operations as outlined on the attached C-103.

Yours truly,

C. H. Hesser  
District Superintendent  
of Production  
Artesia District
