Gentlemen:

Effective September 1, 1966 your State MQC No. 1 located in Unit J of Section 17, T-16-S, R-32-E will be reclassified as a gas well in the Mesa Queen Pool. The oil allowable will be cancelled that date.

Before a gas allowable can be assigned, it will be necessary for you to submit Form C-102 outlining the gas unit to be dedicated to the well. Since it appears that a full 160 acre unit cannot be dedicated to the well, it will be necessary for you to apply for a Non-Standard Proration Unit Order.

Yours very truly,

OIL CONSERVATION COMMISSION
