Gentlemen:

We wish to advise that the Sam Boren, Major & Giebel Sinclair State No. 1 well located 660' from the N/line and 1980' from the W/line, Sec. 27, 16S 34E, Lea County, New Mexico was drilled to a total depth of 10,874' on January 21, 1964. Casing was cemented and the well is presently being completed through perforations of 10,746 - 758. Upon completion of the installation of the tank battery, and testing of the same, the appropriate completion forms will be filed.

Yours very truly

R. O. Major
