O  
Attention: Mr. Benny E. Bechtol

Gentlemen:

P  
Attached please find Commission Form C-103 covering the plugging and abandoning of your Southern Union State No. 1 located in Unit L of Section 6, T-16-S, R-38-E.

P  
This form is filed by Mr. H. D. Hale, president of Huron Drilling Co., and is filed under the name of Huron Drilling Co. As you know, this well was drilled under the name of Southern Union Production Co. and was called the Southern Union State No. 1. It will therefore be necessary that this form be filed under the name of Southern Union Production Co. and the well name to be the Southern Union State No. 1.

Y  
In your letter of November 20, 1968 you point out that Huron Drilling Co. drilled this well on a farmout from Southern Union Production Co., But according to our records the well was drilled by Southern Union Production Co. and therefore, all liability for such is covered under the plugging bond of Southern Union Production Co. I am also returning Commission Form C-105, which you have also filed under the operator of Huron Drilling Co., so that you may correct this. In addition, please file this form in quintuplicate.

Please give this matter your prompt attention so that we may close the well file on this well.

Yours very truly,

OIL CONSERVATION COMMISSION
