Attention: Mr. Benny E. Bechtel

Gentlemen:

Since it will be necessary that you re-enter and properly plug and abandon your Southern Union State No. 1 located in Unit L of Section 6, T-16-S, R-38-E, it would be my suggestion that you contact this office immediately so that a proper plugging program can be discussed.

If you do not contact this office before March 1, 1968, I will recommend that this matter be set for a hearing with the intent of calling on your bonding company to properly plug the well.

Yours very truly,

OIL CONSERVATION COMMISSION
