Dear Sirs:

Attached are four (4) copies of Revised Form C-102, three (3) copies of Form C-103 and five (5) copies of Form C-104 showing its plug back and recompletion from the Lower Kemnitz Wolfcamp zone.

Also attached is a copy of a letter and plat to Mr. Joe D. Ramey in Santa Fe requesting that an allowable be granted to this well even though it is a non-standard location for the Kemnitz Lower Wolfcamp Field.

I have contacted the only offset operator by phone and have a verbal statement that they have no objections to this completion. Mr. Ken Reynolds of Western Oil Producers, Inc., has agreed to write a letter to this effect.

I would like permission to sell oil from this zone in the meantime if this is permissible.

If you need additional data concerning this well; please call me at 915/682-5101 or 682-1762.

Respectfully yours,

MONCRIEF OIL INTERESTS
