7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Dug out cellar and installed 1" risers off of the 13 3/8" and 8 5/8" casing to above ground level. Both 2" valves were left open. Welded identification tags onto both risers and filled in the cellar. Work was carried out in accordance with NMOCC requirements per Mr. A. Plattsmier of the NMOCD Hobbs Office who witnessed the work.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
