work) SEE RULE 1103.

## The subject hole has a total depth of 45 feet.

Starting date of plugging operations is July 25, 1965 and completion of such operations is estimated to have been concluded on that date. The hole was filled with mud to a point to allow for a five sack surface plug. A four-foot high steel marker is placed in the surface plug.

No (-105 116005520)
