Gentlemen:

We have recently had an inquiry from a Mary E. Love, who is the land owner involved in the drilling of your Mary Love No. 1 located in Unit D of Section 6, T-14-S, R-38-E. In this letter Mrs. Love requests that you install a subsurface marker rather than the standard Four foot marker which extends above the ground level.

Since this is an irrigated land, the Commission has no objection to your above ground level.

Yours very truly,

OIL CONSERVATION COMMISSION
